Présentation de l'éditeur

This book is not about the urban explorer, it's about the places they explore. This is about the unusual, the forgotten, and the unknown - sometimes, the smallest flash of beauty in an otherwise banal or decayed setting. Places and human history are inextricably linked. The humans are never far away from these pages; they are hovering just out of sight. They are all here though, their presence haunting every photograph. The people, in reality, have moved on. These fragments remain, decaying scenes from the theatres in which their lives played out, their work, their suffering, and their joy. You cannot capture that with a camera, only with your imagination can you breathe a kind of life back into these otherworldly scenes. That makes you the explorer...
