Format: Kindle eBook

Kurzbeschreibung

**Beneath the water the body sank rapidly. Above her on dry land, the nightmare was just beginning.**

**When Detective Erika Foster** receives a tip-off that key evidence for a major narcotics case was stashed in a disused quarry on the outskirts of London, she orders for it to be searched. From the thick sludge the drugs are recovered, but so is the skeleton of a young child.

The remains are quickly identified as seven-year-old Jessica Collins. The missing girl who made headline news twenty-six years ago.

As Erika tries to piece together new evidence with the old, she must dig deeper and find out more about the fractured Collins family and the original detective, Amanda Baker. A woman plagued by her failure to find Jessica. Erika soon realises this is going to be one of the most complex and demanding cases she has ever taken on.

**Is the suspect someone close to home? Someone is keeping secrets. Someone who doesn't want this case solved. And they'll do anything to stop Erika from finding the truth.**

**From the million-copy bestselling author of *The Girl in the Ice* and *The Night Stalker*, comes the third heart-stopping book in the Detective Erika Foster series.**

**Watch out for more from DCI Erika Foster.**

She's fearless. Respected. Unstoppable. Detective Erika Foster will catch a killer, whatever it takes.

- 1. THE GIRL IN THE ICE**
- 2. THE NIGHT STALKER**
- 3. DARK WATER**

Read what everyone is saying about Dark Water:

**'OH MY GOD! Just let me take a moment while I catch my breath! I LOVED IT! WHAT A BOOK! WHAT AN AUTHOR! WHAT A READ!** It is all consuming, there is no let up... every twist and turn is designed to make you gasp, to make your head spin and your heart beat out of your chest.' *Emma the Little Bookworm*

**'HOLY MOLY Robert Bryndza has only gone and done it again...** it's one of those books you can't bear to put down, as each chapter ends you just "have to read one more" and before you know it it's the middle of the night! Unsettling and disturbing, the actions of the all too human characters lead to a devastating and tense climax. **I can and will wholeheartedly recommend *Dark Waters* for anyone looking for an original crime story but with all the hallmarks of a truly thrilling tale.**' *Book Review Café*

'The characterisation in this story is incredible. There are so many well developed characters and this makes the story so much stronger. **It is a compelling read which once you start you won't want to put down!**'

*Tea Chocolate and a Book* Kurzbeschreibung
